**"ROOF loves the community spirit and team efforts that we have seen over past events - this is what makes the magic work and, as we have seen, together we can make a real difference."**

**Giving to homeless people is an act of kindness and empathy resisting the tide of opprobrium hitting them every day.**

Kindly supplied by the public and local organisations, here are some donations which have gone down at treat at recent events:

- 40 jacket potatoes with beans, cheese and curry
- 20 warm pasties
- 60+ coffees/teas/hot chocolates/biscuits
- 50+ packed lunches
- Trainers, sleeping bags, mix of men's and women's clothing
- Toiletries, wipes, tissues, toothpaste, brushes, deodorant and sanitary products.

**Please see our website for details of what we need and how to help!**

**Homelessness** - it simply shouldn't exist in this day and age. It belongs to another era – a Dickensian time when extreme poverty forced people to take desperate measures just to survive. Nevertheless, in the last year alone, the number of people sleeping rough on England's streets soared by nearly a third, and now stands at more than double what it was in 2010.

To help the Liverpool homeless, **ROOF** plans regular outings and runs entirely on volunteers giving their own donations; whether this be food and drinks, clothing, toiletries, kind messages, or their time and energy as we get together during outreach evenings.

**We provide a full street kitchen...**

- **Hot and hearty meals** (scouse/soup/bolognese/pie)
- **Cold food** (sandwiches/tuna pasta/sausage rolls etc)
- **Hot drinks** (tea, coffee, hot chocolate)
- **Cold drinks and juices**
- **Sugary snacks** (chocolate bars, biscuits/cakes)

All information regarding the organisation of outings and donation collections is available on our website, along with guidance on the types of supplies most vital to our outreach events. We have a drop-off point in Liverpool city centre at **Adapt Outdoors**, on Williamson Street, just off Church Street (see map on back page).

## VOLUNTEER / GET INVOLVED

Teamwork plays an important part in what we provide. The work which goes into **ROOF** involves volunteers doing their part in the process of organising food/supplies or help with our pop-up kitchen operation. If you feel you could lend a hand, please get in touch!

## MAKE A FINANCIAL CONTRIBUTION

We have been so very humbled by the support of passers by when holding our events, particularly the cash donations that Liverpool's public are so insistent on giving as their way of support for what we do. You can now make a money donation via our website, or if you have ideas which can help raise money we would love to hear from you!
